NOSE

The name says it all! Great Big Friggin Rosé has juicy berry aromatics that are bold enough to carry the Great Big Friggin' name without compromising on the refreshing and light nature of Rosé! Under the initial berry notes expressed on the nose are subtle undertones of fresh apple, honey and berry preserves.

PALATE

Fruity and approachable, the Great Big Friggin Rosé expresses a nice weight and softness on the mid-palate yet has a fruity and refreshing finish. This makes it a great option for enjoying on its own or to be paired with various food options.
